# Project Management

2 achievements

## Connect the parts of your system

The work collected under “Project Management” shows one part of a working system. We can help connect that part to the rest of your operation. The laptop, the printer, the login and the mailbox, sorted quickly and in plain language, without anyone feeling foolish.

## Find a comparable challenge

Follow an example that resembles your situation. Its review describes the decisions behind the result, beyond the technology label. Established a Technical Support department — 10,000 clients served by a support department built from scratch

**Established a Technical Support department** Get in touch →

### Established a Technical Support department

Established a Technical Support department, servicing over 10,000 clients with IT support and troubleshooting solutions, tracking client requests in a CRM.

### Managed 4,000 computer repairs

Managed 4,000 computer repairs, ensuring rapid and effective resolution of hardware and software issues.

## Focus the engineering effort

Describe the device or service, the observed symptoms and the data that must be preserved. We can establish the safest useful diagnostic step.
