{ Site Reliability & Monitoring }

Knowing before your customers do

Monitoring and alerts that speak up while a fault is still small, and the figures that show how often it stays that way.

Still working out what you need?

Tell us what is going wrong, or what you are trying to build. We will tell you what it would take, roughly what it would cost, and whether we are the right people for it.

From 1,400 DKK an hour, excluding VAT — and less per hour on a longer booking.
